

Sage ERP Accpac Payroll

Thank you for using Sage ERP Accpac Payroll! This notice is to alert you to a new tax table update that is available.

March 31, 2012, Tax Update (6.0I, 5.6N, 5.5R)

This section describes the payroll tax changes for the March 31, 2012, tax update. If we receive additional income tax changes for 2012, new tax update and documentation will be available.

Changes to the 941 form (Employer's Quarterly Federal Tax Return)

Sage Accpac Payroll's 941 form has been modified to reflect the IRS' recently revised 941 form for 2012. For details of these changes, please refer to the IRS website.

Important: If you have not printed the Form 941 form for the 2011 tax year, print your Form 941 for the 2011 tax year before you activate this tax update.

Changes to the Quarterly Wage On Disk(ette) Function

The Payroll Quarterly Wage On Disk(ette) function has been modified to reflect the reporting specification changes made by **Puerto Rico and Pennsylvania PSD**. If you need details about the file layout and requirements, refer to the reporting specifications issued by your government agencies and the Quarterly Wage on Diskette document.
