Just email us at
mcregan@technology-integrators.com and
let us know who will
be attending.

We are excited to invite you to our **User Group!** This will be a great opportunity for you to learn about Sage CRM and the new features in Sage 100 ERP (formerly Sage ERP MAS 90 and 200). Yes, we'll talk about Sage's rebranding strategy as well. In addition there will be the usual open forum!

Sage CRM Overview

What is Sage CRM and what can it do for your company? The latest release of Sage 100 ERP and Sage 300 ERP (formerly Sage ERP Accpac) include a single user license for Sage CRM. Find out how you can use this license to improve efficiency at your company.

Latest Release Highlights

Whether you are at the latest level of your software or not, this is a chance to learn more about some of the features included in it. We are sure you will find at least one new feature to take advantage of upon your return to the office!

Open Forum

Have you ever wondered if there are other Sage customers with the same or similar questions as you? Our Open Forum is the perfect opportunity to ask us - or other users - about those questions.

We look forward to seeing you on the 14th!
We encourage you to forward this invitation to any others who may be interested in learning more about Sage and Technology Integrators.
